## DOUBLED ITS CAPITAL STOCK.

Planters Hardware Co. Make Great Strides In Business Development.

STOCK NOW \$100,000.

Moving Into Its New Offices Recently Purchased In Cooper Building.

The Planters Hardware Co. has found it necessary to increase its capital stock. Starting with \$40,000 capital in 1902, its business has increased from \$70,000 in 1903 to \$150,000 in 1906. It has paid a 4 per cent. semi-annual dividend from the start. The new issue of \$60,000 stock will be placed on the market. The rapid growth of business has necessitated more floor space and only recently the company purchased nearly two-thirds of the R. E. Cooper block on Main street for \$27,500, this giving them more than 54,000 square feet of floor space.

They are now re-arranging their partitions and moving the offices into the room adjacent to the main entrance of the block. The company will also put in an electric elevator and its own lighting plant.

Dr. J. A. Southall is president of the company but its success is due largely to the efforts of Walter S. Harned, manager, and Charles S. Jackson, secretary and treasurer, both of whom are rated among the best business men of Hopkinsville, and who deserve much credit for the success they have brought to the company. The company now handles all kinds of hardware, farm implements and machinery, wire fencing, vehicles and harness, stoves and ranges, etc., and contemplates adding still other lines in the future. The object is to handle everything the consumer wants or needs except dry goods and groceries, the company being firm believers in Greater Hopkinsville.

## DIED IN TEXAS.

Son of James W. McGehee, of Clarksville.

A telegram received here yesterday from San Antonio, Texas, announced the death of James W. McGehee, Jr., of Clarksville, in San Antonio, to which place he was taken by his mother some time ago, suffering with consumption. He seemed to be improving, but suffered a relapse and died Tuesday. His father reached his bedside just before he died. The young man was about 17 or 18 years of age. The body will be brought to Clarksville for interment.

## NEW CONCERN.

Farmers' Mercantile Co. File Articles of Incorporation.

The Farmers' Mercantile Company, of Kirksmansville, has filed articles of incorporation. The capital stock is \$10,000, divided into shares of \$100 each, and all but six shares have been taken. The incorporators are J. M. Rice, Jonah Hale and Bud Dukes. The company will open for business next week and will handle a general line of merchandise.

## Skees-Witty.

B. M. Skees, formerly I. C. agent at Gracey, but now of Louisville and Miss Ora Witty, daughter of Mr. A. F. Witty, were married Tuesday night. The couple left at once for Louisville, where they will reside.

Don't think that piles can't be cured. Thousands of obstinate cases have been cured by Doan's Liniment. 50 cents at any drug store.

## NEW HOTEL TO BE BUILT

Will be Located Within a Half Square of L. & N. Depot

A \$2.00 A DAY RATE

Has been Under Contemplation for Several Months.

Rumor has it that a new Hotel is to be put up in the near future. It is said that Mr. J. O. Cook, the druggist, who is to erect the building, has been considering the advisability of doing so for several months. It is talked about town as an assured thing now and that the new hostelry will be a \$2. a day one. Mr. Cook, it is generally conceded has hit upon a much needed thing and it will doubtless be a paying investment.

The building will be put up on Mr. Cook's vacant property adjoining his two store rooms. It will be modern in every respect, and on account of being within a half square of the L. & N. passenger station, will be a great convenience to people coming into and going out of the city.

Mr. Cook is one of our most wide-awake young business men and his enterprise and sound business judgment is worthy of imitation. His many friends wish him much success in his new venture and will be glad to hear of his coming to the front in starting the first new enterprise of the year.

## POPULAR FIREMAN
